

FUNERAL OF A. C. CHENEY.

SERVICE IN THE MADISON AVENUE BAPTIST CHURCH—BURIAL AT OWEKO TO-DAY.

The funeral of A. C. Cheney, president of the Garfield National Bank and the Garfield Safe Deposit Company, who died at Lake George on last Thursday, took place yesterday morning at the Madison Avenue Church, Madison-avenue, and Thirty-first-st., The large church was filled. The Republican Club of which Mr. Cheney was a prominent member for years furnished the pallbearers. The Rev. Dr. Henry M. Sanders, pastor, and the Rev. Robert D. Hull, of Greenwood Baptist Church, Brooklyn, officiated. The body was borne to the church to the strains of Chopin's funeral-march, played by the organist Henry Holden Hass. When the coffin had been placed before the altar, Mrs. S. Schell, soprano, sang "Lead, kindly Light." The other musical selections were: "O! rest in the Lord," by Miss Anna B. Huse, contralto; "When we reach our Father's dwelling," a duet, by J. Clarke Read, tenor, and George M. Hause, bass. Both ministers paid high tribute to the life and character of Mr. Cheney. At the close of the service the choir sang "Rock of Ages." As the funeral procession left the church the organist played Beethoven's funeral march. The body was taken to Owego, where the burial will take place to-day.

Mr. Cheney was treasurer of the Republican State Committee in 1891, and a member of the Lafayette Post, G. A. R. The pallbearers were Charles F. Homer, William Brookfield, E. B. Harper, James W. ACTION BY THE REPUBLICAN CLUB.

A special meeting of the Republican Club of the city of New-York was held last night. John S. Smith, the president of the club, was in the chair. The meeting was well attended. In opening the meeting Mr. Smith called attention to the death of A. C. Cheney, whose funeral was held yesterday and who took an active interest in the affairs of the club. On the motion of Edward T. Bartlett, he appointed a committee of five to prepare a series of resolutions to be spread upon the minutes of the club. The committee consisted of Edward T. Bartlett, Joseph Pool, Capras Brainerd, J. F. E. Baker and B. A. Sheldon. It reported later resolutions which were adopted unanimously.

The following were admitted to membership in the club: Edward W. Harlow, Harold Walton, Robert A. Munro and John A. Dutton. James H. Perkins and Charles H. Getman were admitted to non-resident membership.

A WOMAN'S BODY FOUND IN THE HUDSON.

Poughkeepsie, N. Y., July 17 (Special).—The body of an unknown woman was found floating in the river a short distance north of this city last night. Nothing could be found on the body to disclose the identity of the woman, but it is thought she may have been the Mrs. Curtis who disappeared from the steamer Saratoga about two weeks ago. The body was buried by Mr. Wilcox, undertaker at Highland Landing, this afternoon. When found the body was clothed in black cassimer dress with satin trimmings; two white skirts, one trimmed with insertion; black stockings and Oxford ties. The woman wore a pair of screw earrings with small stones thought to be diamonds. The body had been in the water for some time.

BUFFALO CITY DEPARTMENTS TO BE PROBED.

Buffalo, July 17 (Special).—As a result of Van Brocklin's wholesale thefts of Fire Commission funds, suspicion has extended to all the city departments, and there has been talk of general rotteness. Consequently, Mayor Bishop this afternoon recommended to the Common Council that every department of the City Government be investigated. "The long time that this stealing has continued without detection," the Mayor writes, "has aroused a feeling of distrust among the taxpayers, and rumors and insinuations regarding other officers and departments are frequently heard." The Council gave a special committee and the Mayor power to employ expert accountants.

RESENTED THE TIME CHECK PUT UPON THEM.

Buffalo, July 17 (Special).—By extending the continuous performance system of his stage to the other departments of his theatre, B. F. Keith of the Bijou Theatre, has lost the services of four valuable men in his employ. It was only recently that he introduced a new time clock to be used in the Bijou and in the new theatre at the rear of that house, which has been in process of erection for more than a year. By this clock a register was kept of the time spent in the building by the workmen. It was admitted that a regulation of this sort was not out of place for the carpenters and other laborers, but there were four men who felt that a restriction of the sort was entirely uncalled for as applied to them. These were Sydney Chidley, the scenic artist; Mr. Mansfield, his assistant; Henry Johnson, stage carpenter, and Mr. F. C. Murphy, the property man. Mr. Chidley, who is the secretary of the American Society of Scene Painters, was for a long time at the Union Square Theatre in New-York. He promptly resigned, as did the others mentioned.

A CHICAGO CHAMBERMAID'S GOOD LUCK.

Chicago, July 17.—Pretty Anna Wilcoxon was until last Saturday a chambermaid at the Palmer House. Now she is the wife of Baron Solberg, who is said to be a millionaire Austrian nobleman. The courtship began about a year ago, while the Baron was a guest at the Palmer House. It was renewed last spring, and Saturday, when the Baron made his third visit to Chicago, the couple were married. They started yesterday afternoon for the East, and after a tour of the watering places they will return to Chicago to visit the Exposition.

A CHURCH CORNERSTONE LAID AT ASBURY PARK.

Asbury Park, N. J., July 17.—The cornerstone of the First Presbyterian Church, corner of Grand and Second aves., was laid to-day. Services were conducted in Educational Hall square. Addresses were made by the Rev. Dr. A. Nelson Hollifield, the Rev. Dr. Charles L. Young and the Rev. L. W. Marshall. The cornerstone was laid by the Rev. Dr. Frank Chandler, the pastor of the church.
